Certificate in Full Stack Web Development - School of Continuing Studies

Course Instructor Needed – Web UI Concepts and Frameworks

START DATE: The course is scheduled to begin May 16, 2020. Courses run on four alternating Saturdays, 9:00am-4:00pm, with some online work during the off-weeks.

YORK UNIVERSITY
York University, founded in 1959, is now Canada’s third largest university. The School of Continuing Studies was established in 2015 and is quickly becoming a leader in adult learning, serving working professionals and diverse communities while offering an unparalleled academic experience.

POSITION DESCRIPTION
We are seeking an experienced and credentialed subject matter expert to teach in our part-time Certificate in Full Stack Web Development.

INSTRUCTOR DUTIES
• Offer innovative approaches to quality teaching and learning that improve student experiences and outcomes, while ensuring the materials are presented professionally and meet the standards of the School of Continuing Studies.
• Ensure course content/materials and assessments remain current and relevant.
• Communicate with students in a supportive and professional manner.
• Provide constructive feedback and grades to students in a timely fashion.
• Respond promptly to office requests regarding student record keeping.
• Periodically help with other program matters, including course updating, student recruitment and selection, transfer of credit review, etc.

QUALIFICATIONS
• Post-Secondary credential in a relevant field.
• 5+ years of experience in building interactive and responsive websites.
• Highly knowledgeable in HTML, CSS, Responsive UIs, Bootstrap, JavaScript, JSX, React, DOM API, Fetch API.
• Facilitation and teaching skills with adult learners preferred.
• Demonstrated ability working in a team environment with excellent interpersonal, organizational, problem solving and time management skills.
• Professional and ethical.
