Certificate in Clinical Research
York University School of Continuing Studies

Advisory Board Members Needed

We are looking for eight to ten executive and senior-level practitioners in the field of clinical research to provide strategic direction and industry insights to help guide York University’s new Certificate in Clinical Research launching Fall 2021.

Our objective is to create a high-quality program that meets the needs of employers and ultimately prepares our graduates to be successful in clinical research roles. Board Members will have an opportunity to positively impact their industry, network with other senior practitioners, and enhance their professional profiles.

PROGRAM DESCRIPTION
The School of Continuing Studies is developing a part-time Certificate in Clinical Research, which will be launching September 2021. This certificate will have six courses and take approximately 9-10 months to complete. Students will proceed through the program as a cohort.

START DATE
ASAP - Posting is open until positions are filled

COMMITTEE MEMBER EXPECTATIONS
Advisory Board members will be asked to volunteer approximately 3-5 hours of their time over the next 10-12 months to assist with the following:

- Attend virtual pre-launch kick-off meeting
- Confirm program outcomes, course titles and topics covered
- Share knowledge and skills that you look for in new hires
- Recommend Instructors/Course Developers
- Attend events to help connect students to industry (ie. round tables, panels, webinars)
- Promote the program where possible

COURSES (course titles subject to change)
1. Principles of Clinical Trials, Research & Drug Development (8 weeks)
2. Regulatory, Legal & Ethical Issues of Clinical Trials (8 weeks)
3. Clinical Trial Design & Planning (8 weeks)
4. Administration & Management of Clinical Trials (6 weeks)
5. Monitoring & Quality Assurance of Clinical Trials & Research Studies (6 weeks)
6. Capstone Clinical Research Group Project (Operationalizing a Phase II Study) (4 weeks)
