Integrated Year One

Start your degree with confidence —
improve your English while earning credits!

Overview

Integrated Year One is your opportunity to start your degree, boost your English, and settle into life in Toronto, Canada. If you meet the academic requirements for an undergraduate program at York and have an IELTS score between 5.5 and 6.0 (or equivalent), you can begin your studies right away with the added support you need to succeed.

Why Choose Integrated Year One?

- **Start Immediately:** Begin degree studies without delays due to language scores
- **Earn Credits:** Complete up to 24 credits that count towards your degree
- **Improve Your English:** Gain academic language skills tailored specifically for university success
- **Seamless Progression:** Advance to second-year studies with confidence upon completion —no additional language testing required

Learn, Connect and Earn Credits

You'll be fully immersed in York's vibrant campus community, learning alongside fellow students and gaining confidence while building your skills across three key areas:

General Education ESL: A for-credit course that builds your communication, critical thinking, and academic skills in a Canadian university context

Faculty Core Courses: First-year, credit-bearing courses tailored to your field of study

Non-Credit English Proficiency Support:
Ten hours per week of in-person and online language training to strengthen your academic English

Are you eligible?

Here's what you need:

- An IELTS Academic overall score of 5.5 or 6.0 (with no band score below 5.0), or equivalent
- A Conditional Offer from York University in one of the following faculties: Liberal Arts & Professional Studies; Science; Environmental & Urban Change

Tuition: CAD \$49,500 (for 2 terms)

Class Schedule: 20-25 hours per week

Credits Earned: Up to 24 (Minimum 18 required)
